

EMPLOYABILITY (MADE) IN GERMANY

Friday, October 18, 2019

2-4:30 p.m. | O'Hara Student Center, Dining Room

Don't miss this unique networking opportunity made possible by the "The Year of German-American Friendship."

Undergraduate and graduate students are invited to learn about a wealth of career and study options with German businesses and universities through Employability (Made In) Germany (EiG).

Students can discover opportunities at German companies in Pennsylvania and throughout the United States, as well as study, internship and research opportunities open to U.S. students in Germany.

The small setting allows for learning about select companies in new ways and asking questions about expectations for interns and new hires.

Rotating roundtable discussions will be followed by a networking hour. Drop in any time.

German food provided by Hofbräuhaus and Penn Brewery.
